To the Dewan
through the 2nd Councillor

I agree with the Secretary

Mr Bhabha saw me about this yesterday morning Our order and Notification of the 6th Instant did not intend to supersede the Proceedings of 24th January 1894 except to the extent of revising the rates of fees leviable in the several institutions concerned

The inclusion of "Recognized Schools" is at present unnecessary as none such is understood to be in existence If recognition is at any future time applied for by any new School, the Inspector General can, as a condition precedent to the grant of the application, require such School to agree to conform

Government, Municipal and Aided Schools

If Mr Bh bha wishes as he apparently does, to extend para 9 of the order of 1894 to English instruction he may submit a separate communication on the subject after full enquiry and with reasons in detail

A reply somewhat as above may be officially sent

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 5833/210

H J BHABHA Esq M A,
Inspector General of Education in Mysore

To

H V Nanjundayya Esq Dwa, Bnl,
Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

8 & 18

With reference to Order Q 3357/67 2d dated 6th January 1904 and Notification No 3356-2d, dated 6th January 1904 and published in the Mysore Gazette of the 7th I stand I have the honour to inform you that it is not clearly stated either in the Order or the Notification that the revised scale of fees shall be brought into force in all Government, Municipal, Aided and other Recognised Schools in Mysore. That it should be brought into force in all the above schools is implied when it is said that the new scale of fees has been prescribed in supersession of that which was prescribed by Government Order C No 197-271 dated 24th January 1894. In the Order of 1894 the schools are described as Government, Municipal and Aided. I would add "other Recognised Schools" to make the list exhaustive.

(5)

I request that to prevent a possible misunderstanding on the part of the managers of Municipal, Aided and other Recognised Schools a notification to the following effect may be published as early as possible -

"The revised Scale of fees given in Notification No G- 3356 - Ed dated 6th January 1904 shall come into force in all Government, Municipal, Aided and other Recognised Schools with effect from 1st January 1904

2 To the above Notification I propose that the following para may be added.

"The revised rates of fees are the standard rates But in the towns of Bangalore and Mysore it will be open to the managers of Aided, Municipal and other Recognised Schools to levy higher rates of fees by mutual agreement - When such agreement is arrived at the higher rates of fees shall be adopted also in Government Schools in these towns"

This additional para is an adaptation of para 9 of the Order of 1894, which defines a principle - I think it useful and necessary that the para slightly modified as above should be notified afresh along with the revised Scale of fees -

I have the honour to be,
Sir,
Your most obedient servant,

H B Bhabha
Inspector General -

I am sorry to send out a Kannada version to all Vernacular Schools about
